

**URGENT RELAYHEALTH NOTIFYRX™ DRUG RECALL NOTICE:**  
**TEVA PHARMACEUTICALS - RETAIL RECALL – 12/17/10**

Teva Pharmaceuticals is initiating a voluntary **RETAIL LEVEL** recall that addresses a safety issue as some tablets of the product may not meet weight specifications, and as a result they are asking all retail pharmacies to now inspect for and remove **BELOW LISTED LOT #'s** for the following product:

- **Simvastatin 10 mg tablet** **NDC# 00093-7153-56**
- **Simvastatin 10 mg tablet** **NDC# 00093-7153-10**

Pharmacies are advised to quarantine and discontinue distribution of these lots. Further instructions will come directly from your distributor.

RelayHealth has responded by implementing a NotifyRx™ safety alert informing pharmacies of this recall at point-of-dispense when the claim is processed through the Intelligent Network.

Beginning today, all pharmacies that participate in the NotifyRx messaging program will see the following messages for the listed drug:

**Recall #1**

- **Product Name: Simvastatin 10 mg tablet**
  - **Drug Code: 00093-7153-56**
  - **Lot #'s: 22S024**
- **Message: \*NRX\* Voluntary Recall of Simvastatin 10 mg (Teva). Lot # 22S024 only. Safety Issue: some tablets may not meet weight specs. Set aside.**
